Groups are to restrict their movements within the building to those rooms which have been requested and approved on the application form.

If the Sanctuary is to be used for large groups, then ushers must be assigned to aid in the evacuation of the building in the event of a fire. This must be supplied by the group renting the space unless otherwise negotiated with Trinity United Church. (75 persons or less - 2 ushers, 75 persons or more requires 4 ushers)

Groups which meet in the building when no church staff are present are responsible for the security of the building while their activities are in progress and when the building is vacated. The following rules will apply:

- Unless prior approval is granted, groups will use only the McIntyre Street entrance.
- Someone from the group must be instructed how to lock/unlock the McIntyre St door.
- While group members are arriving, the door must be continuously supervised by a member of the group or by the custodian/security person.
- While activities are in progress, the door must be locked (a doorbell is installed at the entrance for late arrivals).
